The Fremont Education Foundation (FEF) is happy to provide After School Band for the 2016-2017 school year!

FEF provides 24 weeks of band classes which is great, but we can make this year of band even greater with a donation of \$300 or more to The Fremont Education Foundation! With your generous support we could possibly provide 2 additional weeks of music instruction for your students and possibly add a second performance concert for the intermediate and advanced bands! More music and more fun for your budding musicians!

- All children in 4th, 5th, and 6th grades are invited to join. No experience necessary.
- We will provide beginning, intermediate, and advanced instruction for woodwind, brass, and percussion instruments (sorry, no strings).
- Class size is limited. Enrollment will be on a first-registered, first-enrolled basis.

~ INSTRUMENTS ~

- Class Participants will wait until the first day of class to sign up for an instrument to play. Some instruments may have prerequisites.
- Parents can rent or purchase instruments from a reputable music store. Buying from a retail chain or online store can be inexpensive but are low-quality and cause problems for the participant. We all want our student musicians to succeed and that starts with a good quality instrument.
- No child will be excluded from our program due to financial inability to rent/purchase an instrument.

To register and to make a tax deductible donation to keep the music playing, go to:

Class Lists & Class Schedule will be Posted at Class Site At the End of September

Check the class lists posted at your class/school site at the end of September for registration confirmation, class start date and time. You will not receive an email or phone enrollment confirmation.

BAND ORIENTATION NIGHTS

New band participants and parents are recommended to attend one Band Orientation Night where FEF will discuss class requirements, rules, demonstrate instruments, and answer questions.

**PLEASE STAY TUNED:
ORIENTATION SCHEDULES AND
LOCATIONS ARE TO BE DETERMINED**

~ RETURNING CLASS PARTICIPANTS ~

Class Participants continuing from last year **MUST** re-register to participate this year. Please bring your instrument and book on the first day of class prepared to audition for a spot in the intermediate or advanced class. If you would like to switch to a different instrument or play a second instrument, please sign up for the beginning band class to start the year.

Advanced Level Band Classes Available

FEF is proud to offer Advanced Band Classes. Advanced Band Classes are offered at one class site per Attendance Area. You must provide your child's transportation. Participants may enroll in both their home class and the advanced class concurrently. If you are unsure whether or not to enroll your child in an advanced class, ask your band instructor for an audition.

**Advanced Band Classes generally begin 10 minutes after school dismissal.
Start times will be confirmed in late September.**
