The Fremont Education Foundation (FEF) is happy to provide After School Band for the 2018-2019 school year!

FEF provides 24 weeks of band classes which is great, but we can make this year of band even greater with a donation of \$300 or more to The Fremont Education Foundation!

With your generous support we could possibly provide 2 additional weeks of music instruction for your students and possibly add a second performance concert for the intermediate band! More music and more fun for your budding musicians!

- All children in 4th, 5th, and 6th grades are invited to join. No experience necessary.
- We will provide beginning, and intermediate instruction for woodwind, brass, and percussion instruments (sorry, no strings).
- Class size is limited. Enrollment will be on a first-registered, first-enrolled basis.

~ INSTRUMENTS ~

- Class Participants will wait until the first day of class to sign up for an instrument to play. Some instruments may have prerequisites.
- Parents can rent or purchase instruments from a reputable music store. Buying from a retail chain or online store can be inexpensive but are low-quality and cause problems for the participant. We all want our student musicians to succeed and that starts with a good quality instrument.
- No child will be excluded from our program due to financial inability to rent/purchase an instrument.

To register and to make a tax deductible donation to keep the music playing, go to:

www.fremont-education.org/band.html

Class Schedule will be Posted at School Site At the End of September/Early October

The start date and time of the class, the location and the instructor's name will be posted outside your school's office at the end of September or early October. You will be notified via email as well. Be sure to enter your email address when you register your child on line.
