

## Guy Emanuele Sports Fund High School Athlete Grant Application

*Part of FEF's mission is to provide grants to Fremont Unified School District high school students who wish to participate in after-school sports, but need help to offset costs for required equipment and uniforms.*

The Fremont Education Foundation will consider applications for items such as sports equipment and team uniforms. Currently FEF is able to award grants **up to \$150** per grant recipient, funds permitting. Grants are not awarded to offset the cost of donations or other fees paid to a second party such as Boosters. **Receipts must be submitted for any items exceeding \$50.00.** Grants are not awarded to students who receive other grants or reimbursements from any other organization that pay or offset the student's costs for items covered by this grant. A student may receive more than one GESF grant if participating in different sports seasonally. Whether GESF grants are awarded, and the amounts of such grants, if any, are completely within the discretion of The Fremont Education Foundation.

### Grant Application Checklist:

1. Read the guidelines set forth by the GESF grant application.
2. Complete the applicant information.
3. Complete the itemization chart included with the application.
4. Attach receipts for individual items exceeding \$50.00.
5. Submit your application by the application deadline.
